

# Elbe One

Limited Edition in funky Green

*Hamburg, March 2010*

**Introducing our new limited edition Elbe One luggage in funky apple green. Travelling this colourful you will be longing for the next opportunity to "hit the road".**

Elbe One is travelite's German TUV "GS" certified hard-side luggage (tested and certified are trolleys 70149, 70148 and 70107). Made of Polycarbonate, Elbe One excels in the fields of impact resistance and flexibility at a low specific weight.

The limited edition's green, metallic shine in combination with our effective protective surface emboss provides a piece of luggage that will satisfy you in every way. And be reminded: This colour luggage will hardly get lost or mixed up in any baggage claim area.

Funky green 4-wheel trolleys in 76cm and 66cm size, as well as the beauty-case, will be available from our partner retailers as of May. But hurry, secure your purchase while stocks last!
